LEXCEL ASSESSMENT

North Yorkshire Law held its annual assessment for Lexcel accreditation and we are pleased to confirm to all our clients that we passed with flying colours. You may be asking - what is the Lexcel Standard - well, simply put - Lexcel is a standard for legal practices that the Law Society of England and Wales recommend and administer. It is a scheme for any type of practice to certify that certain standards have been met following independent assessment. In other words, all our clients can be assured of the highest of care and attention when it comes to legal matters.
